Weekly Status Report #1

Goals from last week:

- N/A

Progress this week:

- Progress
  - Discussed our vision for the project
  - Discussed requirements spec
  - Setting up infrastructure, such as mailing list, github, google groups and a basic website
- Successes
  - Finding a fixed meeting time and place
- Problems
  - Coming up with additional features so it is not a local app
- Lessons
  - Dividing responsibilities in a large group over a long period is difficult
  - Having structured meetings is more efficient

Plans and goals for next week:

- All members help finishing the Software Requirements Specification
- Everyone reads basic information about the tools used
